Silk Line – Elegance meets lightness

Discover Silk, the new collection of plates designed to enrich your table with a refined and timeless style. Made of Fine Bone China with 45% organic material and crafted with three artisanal firings, this line represents the perfect meeting between elegance, functionality and sustainability.

Its ethereal transparency, combined with surprising strength and lightness, makes each piece a sensory experience, designed for those who love to surround themselves with beauty even in everyday gestures.

Silk: a caress of style for every occasion.
