SOLUZIONI FOODSERVICE

Discover the excellence of outdoor cooking with Hibachi BBPRO Rectangular, the Kamado designed for those seeking the best of artisan tradition and advanced technology. Ideal for grilling and roasting with professional results, it transforms every meal into an unforgettable experience.

CHARACTERISTICS:

- Dimensions cm. 51x22 H.16
- Weight: 22 kg

IMPECCABLE GRILLING

It maintains high and constant temperatures, perfect for obtaining uniform and tasty cooking. The large grill allows you to cook meat, fish and vegetables precisely, always guaranteeing taste and succulence.

TENDER AND TASTY ROASTS

The precise heat regulation and the hermetic design allow for slow and enveloping cooking, which preserves the juices and enhances the authentic flavours of the food.

Why choose BBPRO?

- High quality materials
- Elegant and functional design
- Easy to use, ideal even for the less experienced
- Perfect for any season

BBPRO Rectangular is not just a barbecue: it is your ally in the kitchen to bring taste, conviviality and passion to the table.

Bring professional quality to your garden!
