

FOOD BRUSH WITH NATURAL BRISTLES cm.5x6

SOLUZIONI FOODSERVICE

This natural bristle food brush will give you a professional cooking experience right in your home. The bristles are made of natural materials that ensure uniform application for any type of food. The handle, robust and comfortable, is made of polyacetylene, a resistant and safe material for contact with food. This brush is mothball free, ensuring safe handling with food. Produced with German precision and craftsmanship, it will ensure quality and durability over time. Ideal for any cooking enthusiast!
