SOLUZIONI FOODSERVICE

Practical and refined, this transparent bell is the perfect accessory to complete the display of your sweet creations. Ideal for protecting cakes, single portions and pastries from dust, humidity and contamination, without sacrificing the visibility of the product.

- Maximum Visibility and Hygiene

The crystalline transparency allows you to enhance every detail of the dessert on display, keeping it fresh and protected. Perfect for display cases, buffets, catering and table service.

- Durable and Safe Material

Made of high quality plastic material, it is lightweight but shock resistant and suitable for food contact. It guarantees durability and functionality even with daily use.

- Technical Features

- Compatible with Ø18.5 cm risers
- Protects without altering visibility
- Dishwasher safe
- Made in Italy

Dimensions: Diameter 18.5 cm – Height 10 cm

- RISE NOT INCLUDED -
