SOLUZIONI FOODSERVICE

Elegant and functional, the round stand in black methacrylate is perfect for enhancing sweets, cakes, single portions and gastronomic specialties. Its essential and refined design gives a modern touch to your display case or your buffet table.

- Impact Presentation

The glossy black color highlights the products on display, making them even more attractive to customers. Ideal for pastry shops, cafes, catering and events.

- Superior Quality Material

Made of high-strength acrylic methacrylate, it is shockproof and more durable than common plastics. It does not dull, maintaining its brilliance and color over time.

- Technical Features

- Suitable for food contact

- Resistant to temperatures from -10°C to +60°C

- Dishwasher safe

- Made in Italy, synonymous with reliability and attention to detail

Dimensions: Diameter 21 cm – Height 13.5 cm
