# SOLUZIONI FOODSERVICE

Versatile and professional, this transparent GN 1/1 opening bell is ideal for protecting and displaying food in environments such as buffets, delicatessens, pastry shops and catering. The practical opening system allows easy access to products while keeping them safe and visible.

- Hygienic Protection and Elegant Presentation

Perfect for covering large trays, it preserves the freshness of food by avoiding contamination, dust and external contacts, without hiding the contents thanks to its brilliant transparency.

- High Quality Material

Made of impact-resistant plastic and suitable for food contact. Lightweight, easy to handle and durable over time, it is ideal for intensive and daily use.

- Technical Features

- GN 1/1 format (53x32.5 cm)
- Height 17 cm, also suitable for bulky products
- Convenient opening for service
- Dishwasher safe
- Made in Italy

- CASE NOT INCLUDED -
