SOLUZIONI FOODSERVICE

Take your bar corner to the next level with the Bar in the Tube Kit – BarUp:
a complete set of professional tools, with a modern and compact design, perfect for every mixology enthusiast.

The whole thing is kept in an elegant decorated cardboard tube, practical to display and ideal as a gift idea for bartenders, party-going friends or simply for yourself!

What do you find inside?

A set of 5 pieces made of AISI 201 stainless steel, resistant and dishwasher safe:

- Boston Tin-on-Tin Shaker – 2 weighted cups (500ml and 800ml), for shaking like a pro.
- Spiral Bar Spoon (27cm) – with 5ml disc tip (muddler), for mixing, pouring and creating layered cocktails.
- Double Jigger – 25ml and 50ml for precise, waste-free dosing.
- Hawthorne Strainer – Ergonomic handle, removable spring and perfect fit to the shaker.

Strain fruit, herbs and ice without stress.

- Serrated pestle – polypropylene tip for squeezing the best out of fresh fruits and herbs.

Why you'll love it

- Dishwasher safe
- Compact and easy to carry
- Elegant and modern design
- Perfect as an original gift!
