vedi prodotto online

# SOLUZIONI FOODSERVICE

Maximum protection, hygiene and convenience for egg storage with the GN 2/3 30-egg trays, designed to be compatible with Araven GN 2/3 egg containers. An ideal solution for professional environments where order, safety and space saving are essential.

- Capacity and compatibility
- Each tray holds up to 30 eggs.
- Designed to fit perfectly into GN 2/3 containers.
  
- Perforated base: more hygiene and control
- The perforated base allows for optimal air circulation, preventing the formation of mold.
- Allows you to easily identify any broken eggs, improving quality control.
  
- Stackable and space-saving
- Featuring 14 stacking turrets that anchor securely to the tray below.
- Simply flip an empty tray over a full one for extra protection during transport.
  
- Safe and durable materials
- Made of polypropylene, durable and sturdy material.
- BPA (Bisphenol A) free, for safe food storage.
- Resistant from -40 °C to +95 °C: suitable for cold rooms, dishwashers and professional environments.
  
- Packaging
- Sold in sets of 4 trays, convenient to handle and store.
