SOLUZIONI FOODSERVICE

Our stainless steel pasta cutter is the ideal companion for any aspiring chef. Designed to ensure clean, precise cuts, it helps create equal-length pasta for even cooking. Its stainless steel construction makes it strong and durable, ideal for everyday use. Its distinctive feature? It has 5 double wheels and an adjustable width, suitable to satisfy any culinary need. And, at the end of the day, you can pop everything in the dishwasher for quick and easy cleaning. Enjoy your meal!
