SOLUZIONI FOODSERVICE

The Victorinox Rigalimoni with black handle is the essential tool to elegantly highlight your table. Designed for those who love refinement in details, it allows you to create lemon strips ideal for decorating cocktails and serving dishes. You can also create decorated slices in the peel, adding a distinctive touch to fruit slices. Made of food-grade stainless steel, it ensures safe and long-lasting use. Easy to wash, can be cleaned in the dishwasher without any problems. Made in Switzerland, it combines practicality and elegance.
