SOLUZIONI FOODSERVICE

Transform your kitchen into a flavor laboratory with our 35.4 cl Squeeze Bottle Dispenser. Made of polyethylene, a safe material for containing food, it is practical for precisely dosing sweet and savory sauces. Furthermore, its size makes it easy to hold and its resistance allows it to be easily cleaned in the dishwasher. It is an indispensable ally for your kitchen equipment. With its lively yellow hue, it will add a touch of color and cheerfulness to your kitchen.
