SOLUZIONI FOODSERVICE

Discover the practical dispenser for sweet and savory sauces, your new ally in the kitchen. Made of polyethylene, it guarantees safe contact with food and optimal use thanks to its capacity of 70.8 cl. The yellow glow adds a touch of liveliness to your kitchen and with its squeeze shape, measuring out your favorite sauces will be a breeze. Don't worry about cleaning, it is dishwasher safe. Faithful companion of the chef, it is ideal for any type of professional kitchen.
