

PROFESSIONAL SILICONE SPOON cm.25 RED HANDLE

Discover the agility and practicality of our silicone spoon: perfect for chefs and pastry chefs, it resists extreme temperatures and is dishwasher safe.

SOLUZIONI FOODSERVICE

Rediscover the pleasure of preparing delicious recipes with our professional silicone spoon. Perfect for cooking enthusiasts who aim for precision and detail, without compromising the quality of the ingredients. Made of high-quality LSR liquid silicone, this utensil stands out for its flexibility and resistance, offering you optimal thermal stability. It can be safely used in the oven, microwave, refrigerator or freezer, making your cooking processes easier. Are you thinking about cleaning? Don't worry, it's dishwasher safe! Its varied and refined design, the transparent handle, together with its odorless and tasteless nature, make it a must for ice cream makers, pastry chefs, chocolatiers and restaurateurs. 100% Made in Italy.
